EDUCATION

Chulalongkorn University – School of Integrated Innovation

Apr 2025 – Jun 2029 (Expected)

Bachelor of Arts and Science in Integrated Innovation (BAScii)

- Exchange Program: Singapore Management University, Global Summer Programme (Session 1), June 29, 2026 – July 24, 2026

EXPERIENCE

Head of Finance | PassionSeed Co., Ltd. (Next Decade Hackathon)

Jan 2026 – Jun 2026

- Led financial planning, budgeting, and forecasting for a healthcare-focused hackathon in partnership with organizations including AMSA and STEM Like Her.
- Drove sponsorship and fundraising strategy, engaging 100+ sponsors via email/calls to raise ฿50,000, and administered a ฿16,000 cash prize pool across two competition categories.
- Designed and implemented expense approval workflows and internal controls, strengthening financial transparency for executive-level go/no-go decisions.

Procurement & Event Operations Coordinator | BAScii OpenHouse 2026 & InCSII Playground

Nov 2025 – Mar 2026

- Managed procurement and purchasing across multiple student-led events, sourcing suppliers, evaluating quotations, and negotiating pricing to ensure on-time delivery of event infrastructure.
- Processed and reconciled tax invoices from vendors and audited a master inventory of 160+ reusable event assets, improving resource efficiency and compliance.
- Coordinated purchasing schedules and monitored delivery timelines, conducting cost-benefit analyses to guide efficient purchasing decisions across team requirements.
- Maintained procurement documentation and dynamic spending trackers in Google Sheets, providing real-time financial transparency for audits and reporting.

Teaching Assistant (Incoming) | Coding & Statistics, BAScii Program

Aug 2026 – Jun 2027 (Expected)

- Coordinating with faculty to support instruction across a two-term curriculum (Coding, 6 months; Statistics, 6 months).

Service & Repair Operations Intern | Honda Automobile (Thailand) Co., Ltd.

Dec 2023

- Facilitated data workflows and service record management using SAP ERP to enhance operational visibility.
- Supported technical departments through standardized documentation in a multinational environment.

Finance & Inventory Coordinator | Student Market (MUIDS)

May 2023 – Jul 2023

- Conducted budget allocation and cost analysis to validate product viability for a student marketplace.
- Reconciled final finances and calculated net profitability to evaluate overall project success.

AWARDS

- 2nd Place, Smart City Engineering Design Competition (2024)
- Top 6 Finalist, INTERCSII Hackathon (Feb 2026)
- Top 6 Finalist, IT City x CSII Hackathon (Dec 2025)
